

Register of interests – Central Schools Trust

This template is for recording trust governors' interests, which must be published on the school website as explained in the Academies Financial Handbook.

The handbook asks governors to include:

- Directorships, partnerships and employment with businesses that provide goods or services to the trust
- Trusteeships and governorships including at other educational institutions and charities irrespective of whether there is a trading relationship with the trust

Eg.

Fred Birkett is an experienced teacher and education consultant. A governor for 20 years in primary and secondary schools, and a chair of governors for half that time, he is also a National Leader of Governance.

Exclusive to The Key for School Governors

The Key for School Governors provides expertly researched answers to members' questions on school governance. Members can view sample documents and policies, case studies, and much more.
